Canada Dental Benefit

Factsheet

Tooth decay is the most common, but preventable, childhood chronic disease both in Canada and around the world. Oral diseases frequently begin in the preschool years which is why it is so important to establish good oral hygiene behaviours as soon as possible.

The Government of Canada has implemented the **Canada Dental Benefit**, which is designed to provide some financial support to help Canadian families access dental care. With this benefit, families can start addressing some of the basic dental care that their young children need while the Government continues its work to develop a long-term Canadian dental care program.

WHAT is the benefit?

The Canada Dental Benefit provides up to **\$650** per eligible child under 12 years of age. You can apply for a **maximum of 2 payments** per child.

\$650

if the family's adjusted net income is **under \$70,000**

\$390

if the family's adjusted net income is **between \$70,000 and \$79,999**

\$260

if the family's adjusted net income is **between \$80,000 and \$89,999**

The benefit can be used for any dental care provided by any regulated dental professional.

WHO can apply?

Parents/Guardians who:

- Have a child under 12 years of age, who does not have access to private dental care insurance.
- Have an adjusted family net income under \$90,000 per year.
- Have filed last year's income tax return—for more information on how to file a return, visit Canada.ca/doing-your-taxes.
- Receive the Canada Child Benefit for each eligible child.
- Have or will have **out of pocket** dental care expenses for each eligible child that have not been fully reimbursed under another federal, provincial or territorial government program.

HOW can you apply?

Canada Revenue Agency (CRA) **My Account** will be the quickest, easiest and most secure way to apply for the Canada Dental Benefit. If you don't have a CRA My Account, you can register at Canada.ca/my-cra-account or call 1-800-715-8836.

You will need to **provide information** on the dental care visit, including the name of your child's dental care provider(s) and your employer information.

If you apply online and are signed up for CRA direct deposit, you can receive your payment within five business days!

Keep your child's dental receipts for **six years** in the event CRA contacts you to validate eligibility.

Make sure you have your Social Insurance Number, address, date of birth and a copy of your income tax return from last year.

WHEN can you apply?

Parents can now apply for the second benefit period, to help pay out-of-pocket expenses for dental care services received by their eligible child between **July 1, 2023 to June 30, 2024**.

WHAT if I don't read or speak English or French?

The application portal is only available in English and French. However, if you need help with the application, you can ask an English or French-speaking friend to sit with you while you fill out the application, or have them with you when you call 1-800-715-8836.

If you don't have a friend available to assist with the process, the CRA can arrange to call you back in order to have someone on the line who speaks your language.

Visit Canada.ca/dental for more information, or call 1-800-715-8836

It's Monday Morning Magic's 46th Year!

When you're in the middle of the Midway, you can feel the rush of excitement—the amazing energy of the crowd as it surges around you. It's a thrilling sensation, but for over 40 years we've understood that not everyone is equipped to handle the regular pace of the K-Days experience.

Monday Morning Magic is the special time when children between the ages of three and 12 are invited to enjoy the fair at their own speed, with local celebrities, heroes, and professional athletes at their side. Hosted by Explore Edmonton and North American Midway Entertainment, this event is one of our proudest traditions and a perfect way to help create lifelong memories for those who might otherwise miss out.

Monday Morning Magic Details

- You must complete the Application Form, even if you have attended or applied in the past. When you fill out the application form you will be added to our Monday Morning Magic contact list where we will email updates regarding the event – including how and when to register.
- Filling out the application form does not guarantee you will receive tickets to Monday Morning Magic 2024. It will take place Monday, July 22, 2024.
